MICKELSON NATIONAL  
GOLF CLUB

# THE GOLF COURSE

## A Preferred Venue

Located in the beautiful lake community of Harmony just west of the City of Calgary, Mickelson National Golf Club is nestled in the rolling foothills of the majestic Rocky Mountains.

Beautiful vistas and challenging play are the hallmarks of this professionally designed course – the first of its kind in Canada by Phil Mickelson and his design team. Meticulous care was taken to sculpt every tee, fairway, and green to create a premium golf experience. Six sets of tees ranging from 4,741 to 7,412 yards allow both recreational players and touring Professionals to enjoy the incredible layout.

PGA level tournaments and corporate/charity events of all sizes will be met with service to exceed your expectations.

## Include EVERYONE with The Crater & Launchpad!

For non-golfers or inexperienced golfers that find 18-holes too much, we have the perfect fit! Everyone and anyone can participate in your golf day and meet up for the BBQ and prizes following play.

**The Crater** is Canada's largest putting green and can be set-up for fun 18-hole putting contests. Putters, scorecards, music, cool lighting and custom drink holders with full service included.

**LAUNCHPAD**  
GOLF

**LaunchPad Golf** is a revolutionary golf driving range that is all about entertainment. Regardless of skill level, anyone will enjoy self-loading balls on the tee and TopTracer Range technology. Each ball is tracked for distance, direction and even game play on TV display screens in temperature controlled suites (good to -20C). Each suite has comfortable sectionals and cocktail tables for food and drink, at your service. It is really not about the swing!

# TOURNAMENT PACKAGES

## CRATER CUP

Before or after tournament play, an 18-hole putting contest may be held on the vast and steep undulations of The Crater. This is mini-golf on steroids played on a real and live putting green.

Each player or team receives a scorecard and a shotgun start will trigger 'go time'. Following play, any ties will be settled with a sudden death playoff in front of the gallery. Heckling permitted!

The scoring and management of a Crater Cup will done by Mickelson National golf staff and tournament volunteers are welcome to help with the fun. Estimated time: 1-1.5 hours.

A Crater Cup may also be played by those not participating in the tournament. Our Professional team will synchronize the experience so all players will dine and participate in the prize ceremony, together.
