SPEED PUTTING - Included (no additional charge)

The putting green by teebox #10 will be converted to a 6-hole mini-course. Teams enroute to tee box #10 (after playing out hole #9) will stop for the ultimate speed-putting contest. Players alternate putts around the track with the winning team determined by the best combined score and fastest time. A tournament volunteer is required. Other putting contests are welcome too.

Estimated time: 10-minutes per group.

CRATER CUP CHALLENGE - \$10 per player

Before or after tournament play, an 18-hole putting contest may be held on the vast and steep undulations of The Crater. This is mini-golf on steroids on a real and live putting green.

Each player or team receives a scorecard and a shotgun start will trigger 'go time'. Following play, any ties will be settled with a sudden death playoff in front of the gallery. Heckling permitted!

The scoring and management of a Crater Cup will be done by Mickelson National golf staff and tournament volunteers are welcome to help with the fun. Estimated time: 1-1.5 hours.

A Crater Cup may also be played by those not playing in the tournament. Our Professional team will synchronize the experience so all players will dine and participate in the prize ceremony together.

LAUNCHPAD GOLF - Preferred rates (per suite, per hour). Please inquire.

Reserve up to 16 LaunchPad Golf suites for your guests to experience pure and revolutionary golf entertainment. Each suite fits up to six guests and a minimum of one-hour booking is required.
